

Transfer Reasons 2024-2025

1. A parent/legal guardian is **employed** as a permanent, full-time **employee of Moore County Schools**, and the request is to transfer to the school where the parent works or a school within the attendance area of the place the parent works.
2. A **sibling** of a student previously assigned by Moore County Schools to a school outside his/her attendance area in the same school year, and the request is to allow the student to attend the same school as the sibling, provided space is available.
3. The transfer is needed for **hardship** reasons related to before or after-school **daycare**, and there is no viable alternative to a transfer.
4. The student wishes to take advantage of a specific, **unique program** offered at the school requested that is not offered at the student's assigned school.
5. A rising 1st - 5th grade student who has previously been granted a transfer based on the 2020-2021 or 2021-2022 school redistricting, and the request is to allow the student to continue to attend the same school.

Transfer requests that DO NOT FALL WITHIN ONE OF THE FIRST FIVE CATEGORIES WILL BE DENIED by the administration but may be appealed to the Board of Education.
